Sir,

I have the honor to state that want of a well near the Damodar Doss Saib Chattram at Huliyurdurga, in the Kunigal Taluk is much felt by the travelling public. There are no other wells close to it and the only well situated at a distance of about 1½ furlongs from the Chattram, having a very small supply of water, does not answer the requirements of the travellers who stop at the Chattram. It is therefore found necessary that a fresh well should

be sunk close to the Chattram and an estimate for Rs 400/- for that purpose is herewith submitted for sanction - The cost of Sinking the well may be met out of the Savings available at the credit of the charities amounting to Rs 2562-15-0 at the close of December 1907.

I have the honor to be,
Sir,
Your most obedient servant
